Czech Ambassador complained jokingly that talks were secret and said he hoped time would come soon when subject matter could be revealed. I had brief, non-substantive conversation with Soviet Charge, who did not raise Sino-US talks.

5. Chinese Charge himself was present at reception, accompanied by several Embassy officers (but not LO or LIU). He was aware of my presence but, although he had several occasions to do so, he seemed to wish to avoid direct contact with me, and I did not press him.
